Indian Nations Live 2023!

Indian Nations Live (INL) is the premier live model horse show in Oklahoma! Indian Nations is also the oldest show in the state, having started back in 1980 in Charlene Marshall's back yard in Berryhill. The show is held at the Washington County Fairgrounds in **Dewey, OK (address 1115 N. Delaware St., Dewey OK)**. Dewey is in the northeast corner of Oklahoma, just north of Tulsa. Dewey is the home of the Tom Mix Museum, which is dedicated to the life of the cowboy screen legend, plus we have MANY antique stores for your shopping enjoyment!

Indian Nations Live has applied to be a **North American Model Horse Shows Association (NAMHSA)** member show. This means that in the Open Division and Mini Division, the 1st and 2nd place equids will receive a NAN card in all qualifying NAMHSA classes. For more information on NAN or NAMHSA, go to www.NAMHSA.org

This show is open to any model horse shower, whether this is their first show, or they have been showing for 20 years. The show will start at 8:30 am. The show hall will open at 7 am. We will break for lunch at noon, with the show resuming at 12:45. There will be the original Indian Nations Live show cake!! Commercial ribbons will be awarded 1st – 6th place in each class of the Open Division, and custom rosettes for Champs & Reserves. The Charlene Marshall Memorial Mini Division has ribbons 1st - 6th and custom rosettes for Champs and Reserve Champs. There is a photo center, with the INL logo in the background, for any shower wishing to photograph their models with or without their ribbons.

Other features of the show include fabulous door prizes and raffle items. There will be coffee all day!

Wild Horse Collectibles will be exclusively selling Breyers. Entrants are encouraged to bring retired models, tack, and other accessories to sell from their table.

Judges for Indian Nations Live 2023 are: Kat Jamison-Patnode-OF & CM Performance; OF Halter-TBD; CM Halter-TBD; Mini Division-TBD.

Rules for Indian Nations Live-Open Division:

• For the purposes of this show, a model entered in an **OF Halter or Performance** class is a plastic, china or resin model of any make in original factory finish, with undetectable touchups or repairs. A model entered in a **CM/AR Halter or Performance** class is any equid that has been altered in color, position, or texture, and includes Artist Resins. **ANY CLASS MAY BE SPLIT AS THE JUDGE SEES FIT.**

• For each class you will have a 3x5 card/paper with your model's name, breed, sex and your name/initials. The judge will keep the cards for the 1-6 placers in each class. You will also provide a new card for each model that is called back for Champion/Reserve (those that placed 1st or 2nd in each class). A string tag identifying your model would also be a good idea to prevent mix-ups. **PLEASE PRINT CLEARLY! IF I CAN'T READ IT, IT GOES ON THE OFFICIAL NAMHSA OFFICIAL RECORD AS WHATEVER I INTERPRET IT AS! TRY TO NAME YOUR MODEL THE SAME THING ON ALL ITS CARDS (YES, THIS IS ACTUALLY A PROBLEM). DO NOT FORGET TO PUT YOUR NAME OR INITIALS ON THE CARD, BACK OR FRONT (THIS IS A BIG ISSUE, PLEASE DON'T FORGET).**

• Each model may only be entered in **ONE** halter class in **ONE** division at INL. Changing the breed or name of a horse already shown in one division, and entering them in another division is a no-no. If this happens, the model will be disqualified.

➤ **There is a limit of 5 models per shower, per class for both Halter & Performance divisions (\$1 buy-ins allowed if you have more than 5 in a class**

• Handlers are optional if you choose a Showmanship performance entry, and carts are optional if you have a harness entry. Halters are discouraged from being used in Halter classes.

• Performance classes may be split by type, or with or without rider where warranted. Performance classes have been decreased in number due to few entries in past shows. If you have more than one model appearing in a Performance entry, be sure it is clear which one model is being judged.

• 3x5 cards or other means of explanations of your performance entries are extremely helpful to the judges, unless the entry is obvious or common. Appropriate obstacles/accessories are required for the trail classes. Explanations are also a good idea for unusual breeds in halter classes. Try to make the "explanation" as small as possible so it doesn't take up much table space. Please use an explanation card in Anything Goes, and the entry will be judged as a whole, so name your entry and put your name on the card.

• **Any class will be split if the entries warrant.** The judge will let you know how a class will be split.
